Gem Eliezer Espiritu

Software Developer

Hi I'm Gem Eliezer. I am a software developer. I build websites with HTML, CSS, JavaScript, React, PHP and MySQL. I have a burning passion on programming and software development and love learning about it and building cool projects.

Programming

Game Development

Concept Art

Animation

EDUCATION

Senior High School
Liceo Di San Lorenzo

07/2018 - 05/2020   *Pulong Buhangin Sta. Maria*

Courses
☐ General Academic Strand

PROJECTS

Website Portfolio (10/2021 - Present) ↗
☐ Built another portfolio to learn more about react
☐ Used the CSS library I've built before and improve it further
☐ Used JSON data to dynamically populate the website's content
☐ Send Email with Email JS

Social Network/ Twitter Clone (03/2021 - Present) ↗
☐ A social media website like twitter where one can follow, like, retweet and interact with other users
☐ Made my own small CSS library
☐ Learning how to make reusable code with OOP with PHP
☐ Using AJAX & jQuery to update my page's content without reloading

Blood Xploit (10/2021 - 10/2021) ↗
☐ A simple one page website where one can download a file
☐ Made a animated nav burger button and also reused it for my portfolio website

E-Commerce (11/2021 - Present)
☐ A work in progress e-commerce I'm currently working on
☐ Learned more about API, used CommerceJS for this project
